Introduction

This issue of the *International Journal of Central Banking* includes two of the papers presented at the conference entitled “The Macroeconomic Consequences of COVID-19” hosted by the European Central Bank on August 9–10, 2021. The conference was co-organized with Bank of Korea and the European Central Bank. The two papers, chosen using the same rigorous standards applied to all *International Journal of Central Banking* content, are “Does Policy Communication during COVID Work?” by Olivier Coibion, Yuriy Gorodnichenko, and Michael Weber; and “Monetary Policy and COVID-19” by Michał Brzoza-Brzezina, Marcin Kolasa, and Krzysztof Makarski. The program committee for the conference was Klaus Adam, Boragan Aruoba, Òscar Jordà, Sharon Kozicki, Keith Kuester, and Luc Laeven.
